O T T A W A.

Dear Sir,

Mr. Julius Linu of Spruce Grove Alberta has requested us to write you to see if he cannot make entry for homestead on the S.E.Qr.9-51-27,W.4th. He tells us that your Department have not left this open for homestead entry as there was a timber limit outstanding. He informs us that there is no timber of any consequence on the land and it is worthless as a timber limit, and he is prepred at any time to give the necessary evidence to that effect. We wrote you on the 20th January last with reference to the South West Quarter, and were informed by you that an Inspector would be sent out there at any early date to insyect the pr perty as to this. Mr. Linu would like to be able to enter for homestead at once if it is available, and perhaps you would be able to have your Inspector report on both quarters at the same time. We would esteem it a special favor if you would let us hear from you immediately, so that Mr. Linu can make the proper arrangements.

Yours truly,

Dict.H.

With reference to your letter of the 11th ultimo,Ref.2[illegible]258,stating that on the 22nd November last you received an application from Alfred W. Clarke for an inspection of Mr.William J. Carter's homestead, the S.E.¼ of section 12,township 51,range 2,west 4th meridian, I am directed to say that Mr. Carter wrote the Minister on the 28th November last,stating that his three sons had homesteaded the remainder of this section,and that he [illegible] prevented from taking up his residence on his own quarter section,and asked to be permitted to have Half-breed scrip located thereon. He further stated that he had some breaking done on the land,and that his sons had sixty acres ready for crop next spring. In reply Mr. Carter was advised by the Minister that if his entry was in good standing there would be no objection to his having land scrip located thereon. As Mr. Carter made his homestead entry on the 31st May,1906,he had until the 31st December to perfect his entry,and his entry was not,therefore, liable to cancellation when Mr. Clarke's application for an inspection was received by you on the 22nd November last,such application should not,therefo

Under the circumstances it is considered that at the time Mr. Carter applied to the Minister to be allowed to apply Half-breed land scrip on his homestead quarter section his entry was in good standing, and that, if he desired to do so, he may, therefore, have land scrip placed thereon.

Will you please notify Mr. Carter and Mr. Clarke to the foregoing effect.

Certified copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor General on the 24th May 1911.

PRIVY COUNCIL CANADA

Copied for the printer Jos. P. D.

The Minister of the Interior states, under date the 6t May,1911, that the late James E. Hall secured homestead entry by proxy for the South West quarter of Section 12, Township 38, Range 12, West of the 4th Meridian, on the 13th of June,1905.

The Minister observes that it appears that the homesteader died on the 26th September,1907,without having perfected his entry by the performance of actual residence and it was held that cancellation must be carried out;

That it was shown, however, that the widow, Mrs Elizabeth M. Hall, had been in actual residence on the land since March 1908, having buildings and fencing valued at $550.00,together with forty acres under cultivation,and she was permitted to make entry in her own name on the 5th August,1910. She now submits proof of the completion of the required duties dating from the time at which she first went into occupation;

That it appears, however, that there is no authority in the Dominion Lands Act under which Mrs Hall could obtain patent until she had held the land for three years from the date of her entry.

The Minister, therefore, recommends that authority be given under the provisions of sub-section (k) of Section 76 of the Dominion Lands Act, to enable patent to be issued to her at once.

The Committee submit the same for approval.

Dear Sir;

I will be eligible for the Old Age Pension, on Oct. 9, of this year, providing I can establish the date of my birth. I was born; according to my parents, at Bradly, Kankakee County, Illinois, on Oct. 9, 1881, and came with my parents to Canada in 1900. Shortly after coming to Canada, I took out citizenship papers, filing on a homestead, near Red Deer, Alberta. I thought perhaps if you had record of my filing on

-36-24-4

this homestead it would help me establish my birth, as there is no record of it in the town of Bradly, Illinois, where I was born.

Would you please look up these papers + forward me the necessary information - An enclosing 50¢ to help defray expense of looking for this necessary information.

Yours truly,

x Clarence E. Petro

P. S. I proved up on my homestead at a later date. If there is any more expense will defray the same.

Memorandum.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

Re N. E. ¼ 14-56-16-W.4th M.

Mr. Nikola Tanasink obtained homestead entry on the above mentioned quarter section on the 21st March, 1914. At that time there were 84 acres of available land, the remainder being covered by a marsh with indefinite shore line.

Mr. Tanasink subsequently made a declaration that the waters of the marsh had become permanently dry and requested that the area so accrued be added to his homestead.

The Agent of Dominion Lands at Edmonton was requested to detail an inspector to visit and report in this connection and the report, dated the 24th April, 1920, has been received and is as follows:-

"This quarter section was all dry during
"the time of my visit, there was about
"5 acres with shallow water on it owing
"to heavy snow and spring then having
"started and would likely be more for a
"short time. I would say that in ordinary
"seasons this quarter would be mostly all
"dry."

In view of the inspector's report and of the fact that the water which occasionally lies on the land is caused by the spring freshets, I would recommend the inclusion of the whole quarter section in his entry.

Respectfully submitted,

J. S. Glendon

MEMORANDUM:

W.S. Cliddon, Esq.,
Assistant Controller.

Re N.E.¼ 12-51-16 W. 4th Mer.

I beg to refer you to your memorandum hereunder dated the 9th April, last, recommending the inclusion of the whole quarter section in this case. This view was recommended on the strength of the Homestead Inspector's report respecting "Whitford Marsh", affecting the above described land. Your recommendation was approved by the Deputy Minister, and the Agent of Dominion Lands was advised accordingly of the inclusion. I may say that at the time when the patent of a fraction only, of the quarter section was issued, the homestead file on which this case was dealt with, did not accompany the fiat; and patent was issued according to the latest plan, which gives an area of 90.2 acres, the description of which was made by metes and bounds. A supplementary patent could now be issued, also by metes and bounds, for the balance of the quarter section, which is shown covered by the waters of Whitford Marsh, according to the same plan, containing by admeasurement 70 acres.
